**RE: CONTRACT AND BID SPECIFICATIONS FOR CONTAMINATED SOIL
REMOVAL AT CITY OWNED LOTS**

1112 - 1114 South Sixth Street (Block 331, Lots 86 and 87), Camden, NJ

Clarifications:

1. A request for clarification on the specifications for stabilization methods was submitted. The contractor is responsible for all construction means and methods, as directed in Section 1.02 GENERAL EXECUTION REQUIREMENTS.
2. A request for waste codes and specific levels of the contaminants was submitted. Per Section 2.02 REMOVAL OF MATERIAL, the Contractor will be responsible for waste characterization required by the disposal facility in order to properly dispose of the material. Site laboratory data was provided in Attachment 3, which detailed contaminant concentrations detected to date.

All other terms and conditions of the solicitation remain as is.
